CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The institution deploys a number of action plans for the effective implementation of the curriculum. As per the guidelines of the SPPU, Pune University lectures, tutorials, research work, activities and practical classes are conducted. The timetable of the college reflects the schedule of lectures, tutorials and practical classes that are held for students. In the beginning of the academic year, the college prepares an academic calendar comprising of the entire schedule for the year. For effective curriculum delivery, classroom teaching is also supplemented with seminars, projects, group discussions, and study tours. Every teacher works on this and finds out slow learners and advanced learners and efforts are taken for their development. Objectives for Curriculum Planning and implementation 1. To develop personal, professional, and communication skills in student-teachers 2. To develop the competencies of classroom management, event management, use of technology - ICT use, crisis management, life skills, and stress management, etc. in the Students through various cultural and community programs. 3. To inculcate the spirit of compassion, empathy, harmony, tolerance, secularism, democracy, and national integration enabling them to become enlightened individuals. 4. To provide an environment that promotes sensitization to environmental and global issues and enhances the creativity of the Student teachers to enabling them to face the changing and challenging situations at professional and personal levels. 5. To prepare the Student teachers as agents of social change through the activities like community work (CW), Women Development Cell (WDC), extension work, nonformal education etc. 6. To develop self-reliant learning habits amongst them, students to make them lifelong learners.

Teachers		Yes		
Employers		Nill		
Alumni		Yes		
Parents		Nill		
.4.2 – How the feedback obtained is be naximum 500 words)	eing analyzed and utilized for overal	I development of the institution?		

The Institution collects feedback on curriculum aspects from different stakeholders such as students, alumni, teachers, Feedback is also received from students regarding Autonomy. Feedback collected from stakeholders is analyzed and based on the outcomes, modifications are made pertaining with respect to various aspects such as curriculum, teaching-learning process, teaching internship, and assessment. Feedback is vital as it aids to gauge the effectiveness of the Institution as a whole. Feedback is obtained from the student-teacher in written form once in a year and after each and every activity conducted. Student Teachers analyse, reflect and submit a report for each activity. In addition to these reports, it is discussed in student council meeting with student council in charge and also reported to the Principal 2) Teacher's feedback is taken in verbal form during the meetings and the effectiveness of the activities is discussed. 3) For PT and internship, student teachers are placed in various PT schools. Faculty members visiting the schools are in continuous touch with school authorities. So feedback is obtained about schools informally
